

POLICE KILLED A PROTESTER STAND UP - FIGHT BACK

SATURDAY JAN 21 5PM
UNDERGROUND ATL

*On January 18, an Atlanta forest defender was murdered by police.
A friend, a lover, a child -- no one can bring this life back to us.
While others were hunted by police dogs, machines carried on their
ruthless destruction. We refuse this brutal escalation of violence.
We will continue to defend each other and the land that holds us.*
